COMMITTEE REPORTS

Bridge the Gap - No report this quarter.

CPC-Tulsa County - The DUI/Drug Court for Tulsa County Court continues to evolve, with the number of AAs growing to include women. This month I've mailed a follow-up letter to Judge Smith of the Tulsa County system with a recording of the "Courts" program at the San Antonio International. Maybe a future Class "A"?

Corrections- Beloved Burnouts, Derelicts & Hooch Hotties; It has been a blast serving our little d.w.i. encrusted community, I am humbled; still to this day for the men n women that have selflessly stepped up to the plate and reached their hand into the incarcerated mire to help out a fellow booze hound. One of those kooky kat's is Donald J. who has faithfully started a meeting at Connor's Correctional Facility (not to mention cooks a mean brisket dinner for his fellow ex-drunken cohorts) That being said, I "officially" nominate this wino for the Dis. 40 Cor. Chair....you can expect this bottle bender to take this position cereal, and not use this platform to poke fun and or misuse his chair to tease the power driven chain letter writers and the 'Ubber Elite Clique' who feel the need to pre-qualify the future member's worthiness B4 welcoming them home.....

I thank you all, for I would have never gotten here (straight out of the joint) without the*Jug&Doodie's/Eli&Matt R's/Patrick n Merlin's the Joey/Chuck S's* who kept the message pure n inclusive, not single minded n exclusive. For their willingness, i write this in eternal gratitude for letting me serve. Long Live The Deacon(s); Chad R.

Grapevine - The "Pass It On" project is still going strong. Please feel free to give my contact information to anyone in your groups who might need some "gently used" Grapevine Issues, so we can continue to pass on our portable meeting in print. Of course donations of your back issues of the Grapevine are always welcome! Thanks to everyone who has participated in this project to date. Also, if you haven't checked it out lately the Grapevine website is very user friendly!

AAGrapvine.org is the site address, and it's got links to subscribe, links for your Grapevine Reps, pretty much any information about the Grapevine that a person could want. Lastly, please remind your groups about the Grapevine Survey. Here is the link to the online survey <http://www.aaoklahoma.org/PDF's/GV2010Survey.pdf>.
