

COMMITTEE REPORTS

Archives— I have one oldtime cd made and another in the process. enjoyed the archives presentation at the conference. as gratitude chair Margaret has been doing great and has sent over a hundred dollars this 1/4 passed out many envelopes for the gratitude plan.

CPC-Tulsa County - The DUI/Drug Court class continues to evolve; by request, I sent more literature to another Tulsa District Court Judge.

Creek County - The DUI/Drug Court contractor has expressed a desire to expand classes beyond the noon-time now sponsored by AA; Roy B. is exploring with Sapulpa Helping Hands class to expand into a class once a week.

Corrections- Even with the recent tornadoes and hail storms, both attendance and volunteer turn out has been exceptionally well, mostly due to the fact we have recently gotten someone to try our way of life once he discharged his sentence. Not only does this give hope to the other prospects still paying the price for their tango with King Alcohol, but continues to cement the commitment "we" the twisted..er trusted servants strive for...so if you want to actually see a new life being built at the ground floor and witness what our forefathers foretold about OUR PRIMARY PURPOSE, please take some time to help someone else....we in corrections find it helps us more than bickering over such lofty subjects as: "Does drinking mouthwash and or shooting up Jim Beam considered an outside issue?" Peace out, my projectile puke producing partners (.that is until Joseph finds a real Dis 40 Corrections Chair) I wish you well, and know we always have openings if you want to experience what we call the practical application of Step 12..best wishes n may the loudest bleeding deacon be heard.. Chad Riley Dis, 40 C.C.

Grapevine - I hope you all got an opportunity to see the Grapevine display at the State Conference. (and what a Conference it was! Kudos to Nancy B!) There was also a box of past Grapevine Issues available for anyone who might want to pass them on. Our "Pass It On" project is going strong. Many thanks to everyone who has donated your gently used issues of our meeting in print. If anyone has any suggestions for ways that these Grapevines can be passed on please feel free to let me know. As always, please pass along my contact information to your Group Grapevine Reps. (Sharon K. - 918-902-9124) Lastly, DON'T FORGET about the Grapevine Survey! If you need an extra copy feel free to contact me. This is a major topic of discussion right now, and it needs further attention from our Districts.

PI— I had one request to have a member speak to a Non-AA function in Muskogee. Will B covered that for us. I also had a request to make some of our pamphlets available at a powwow here in Tulsa. Thanks to Nancy B for her help with that one. - She is presenting the district with a bill for the literature and I ask that someone make the motion and pay central service for this.

DISTRICT CHAIR REPORT— District 40 is getting excited about the upcoming 75th Anniversary of the International Conference in San Antonio. We have many members who are eagerly volunteering to assist the Conference and we hope more will join in. At last count, we are about 900 short of filling all of the volunteer slots. What a great way to give back if God inspires you to do so. Please feel free to contact your GSR or DCM to ask how to volunteer. District 40 members had a very spiritual time at the State Conference in May. What a great job by the Conference Committee and our very loving and giving Conference Chair, Nancy B. If you see them, be sure and give them a thank you for their awesome service. We are all so blessed to be part of a God centered fellowship here in Oklahoma. Thanks to all who humbly and altruistically serve. Your service is so valuable to our commitment to help the “still suffering alcoholic”. God Bless. Joseph Engel, District 40 Chair

GROUP REPORTS

AA Along the Line – I don't hear much from the AA Along the Line group. I understand it still meets but due to conflicts I have not been able to visit the group. Soon I hope.

Awakening— This group meets daily at 7 am, what a great way to start the day out !!! One of the members was the co chair of the district 40 hospitality room , so several group members volunteered to work there. The meeting I went to, they had a big book study and read the prefaces , it was great !

Big Book Study Group of AA— Monday and Thursday 7-9pm - Strong Big Book discussion with many members with long-term sobriety. Open speaker/ eating meeting last Thursday of each month.

Bartlesville Big Book Study Group — Monday and Thursday 7-8:30pm - Regularly attended by several members with long-term sobriety. No activities planned other than regular speaker/eating meeting last Thursday of each month.

Bartlesville New Hope Group - M-W-F Noon-1pm - Regular noon meeting for those in the downtown Bartlesville area, recently formed but well attended.

Beggs Original— Beggs group is doing great, they have 14 members, they are becoming active in service. They are continuing to do the deal and carry the A.A. message to the alcoholic who still suffers. More people should go visit the group, it is a pretty cool group.

Bristow Into Action Group- Small group that meets Thursday at 7 pm. They do not have a GSR at this time. Any long timers in the area are encouraged to attend to help carry the message.

Cleveland – Attended BB study on a Tuesday evening. Got there right before meeting started so did not have a chance to meet some of the members but seems to be a tight knit group studying the Book. A few new folks showed up and were given phone lists and made to feel welcome (as I was!)

Cornerstone- This group is rich in service work and traditions. One of the members was the chair for the state conference, so several group members were actively involved. **GO conference !!!!** They also bring regularly meetings to different facilities.

Cushing Original- is great, Oil Capitol was small but a strong 12/12 book meeting

Desire Group— No report this quarter.

Downtown Group (Bartlesville)- 8pm Every Night, Tu&Th Noon, Sunday 10am - Lots of new comers and many long-timers as well. Sometimes visited by groups from treatment centers. Hosting Osage Hills Roundup September 17th, 18th, and 19th at the Osage Hills State Park. Speakers, Food, and Fellowship. Air conditioned cabins are available for rent.

Freedom Womens- group is doing well. The ladies that are members that I visit with are very active in their group and the attendance in the group is growing.

Going to Any Lengths - This group is very enthusiastic and close . They had an awesome speaker from St Josephs, Missouri and several members of his home group were in attendance. The group is planning their anniversary meeting for the 4th Sunday in August at the home builder s association. They will have dinner and two speakers (AA & Alanon).

Grupo Renavcion- No report this quarter.

Happy Hour - No report this quarter.

Henryetta Traditions - No Issues to report, everything is continuing on as normal

Hominy Group— Had the honor of attending their eating/ speaker meeting (4th Thursday of the month). Nancy from NECS shared her story. Several birthdays celebrated. Was a good night in A.A.!

Lambda Unity - Will be holding an election in June to fill the secretary and treasurer positions. according to their GSR. Overall attendance has stayed steady.

Living Sober (Bartlesville)- Meets Saturday at 8am - Tom M. has been running this group for several years and is looking for someone else to step up and help out. Groups needs GSR, Alt. GSR, and Secretary/Treasurer. Very spiritual meeting that always start off a weekend well. Even AAs from Kansas regularly attend this meeting.

Miracles - No issues to report. They have remained strong this quarter and average around 40 members with up to double that number for their speaker meetings.

Oil Capital- Oil Capitol had a great speaker the night i attended.

Okmulgee Welcome Group – very Welcoming! Small group, using the literature and working with newcomers. If you are in the area drop in and join the meeting.

(Tulsa) Open Door Group— Always interested in what is going on in the district and area meetings. A small group that meets every Sunday at 10:30am at the Downtown OSU hospital. A lot of old sobriety at this meeting.

Original Group— The group is solid and committed to AA in Tulsa.

They meet daily and have an active group involved in the Service Structure of AA. The group is the oldest in Tulsa. Check it out sometime. They really stick to the book and the 12 step program.

Original West Side – No issues to report. They have remained steady in group strength this quarter.

PATS- Positive Attitude Toward Sobriety: The District 40 Bridge the Gap chair is a member of this group so several members are involved with carrying the message. They take monthly meetings to four different facilities. They also had a camp out at Fort Gibson in May.

Pawhuska- Group is currently having joint meetings with Hominy group and I thought they mentioned a AA group in Pawhuska but was not the one NECS had in directory. (Met a few of the members while at Hominy). Confirmed with Randy D. that group does not have scheduled meetings. Opportunity to get a meeting started here as several of the folks from Pawhuska newly sober from treatment facility. Randy had mentioned Cecil D may be moving to the area soon.

Pawnee Fellowship- No report this quarter.

Sapulpa Helping Hands— Did not visit this group. Spoke with Gary (GSR) and he said 30th Anniversary was a hit. Big turnout, Boyd C. spoke. Group is doing well and has a growing number of newcomers attending.

Skiatook Broken Brain— Several newcomers in attendance (BB study) some long term sobriety and solid message. They have dropped the Tuesday noon meeting at this time.

SOS– The S.O.S. group is doing quite well, they carry the message, I see their members at service meetings and the message is being carried to those who still suffer.

Sunrise Group- Group is doing well, has a GSR. Group is small, but plenty of sobriety. Definitely carrying the message.

Tanglewood (Sand Springs) – Many active members and visited them on a Big Book study night. Some group members taking meetings to Boys Home once a month and a few members going to Hillcrest Hospital as outside commitment.

Willing To Grow - M-W-F Noon-1pm - Many members with long-term sobriety also with an influx of new comers recently. Only activity planned is a group anniversary in October with more information to follow in September newsletter.
